**CONDITIONS FOR SUSPENSION IN THE COLLECTION OF HOUSEHOLD WASTE AND SLUDGE**

**SUSPENSION IN THE COLLECTION OF HOUSEHOLD WASTE**

May be applied for if the property will be uninhabited and will not be used for a consecutive period of at least six months. Once granted, a suspension is valid for a maximum of three years.

A suspension in collection does not mean exemption from paying the basic fee for the cleaning charge.

The fact that the property is used sporadically or that small quantities of household waste are produced are not grounds for suspension.

**SUSPENSION IN THE COLLECTION OF SLUDGE**

Can be applied for if the property will not be used for a continuous period of at least one year. The suspension is valid for a maximum of three years.

Collection starts automatically after the end of the period of suspension.

**NOTIFICATION**

Notification must take place at least four weeks before the suspension is to take effect. A suspension cannot be notified retrospectively.
